## PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

Established in 1955, Monaview Elementary School's campus encompasses 18 acres with over 40 classrooms, full gymnasium with locker room and showers, art room with kiln, complete music room, state of the art computer lab and two cafeterias (one with a fully equipped stage). 440 students attend Monaview Elementary with 73% receiving free and reduced lunch and a minority population of 42%. Monaview Elementary has a school wide Title One program. Families from this community have been affected by changing industry, unemployment, inadequate medical care, poor housing conditions and limited education. Due to the economic hardship of the community, many students face additional social challenges. To assist with the needs of the community, Monaview's staff includes a full-time nurse, social worker, and guidance counselor.

The faculty and staff of Monaview Elementary are committed to implementing the goals of the School District of Greenville County's Education Plan. Teachers have received extensive training in the Four Block and Building Block model, Focused Learning Strategies, Thinking Maps Organizational Tools, and Early Success/SOAR to Success Reading Intervention Programs. The computer lab provides opportunities for all students to participate in the Josten's Compass Learning and Writing Expedition programs. As part of our Title One Plan, Monaview Elementary offers before and after school tutoring and a Summer Academic Program. The School Improvement Council (SIC) meets regularly to discuss student, community and staff issues and monitor the Title One and Academic Improvement Plans.

The administration and staff creatively and consciously adjust teaching methods to meet the changing needs of our students. Two Teacher Specialists from the South Carolina Department of Education further enhance teaching strategies of each grade level. With support from the School District of Greenville County, the Greenville Chamber of Commerce, the Campbell Young Leaders Foundation and Carolina

First Bank, the faculty will continue to implement the Baldrige Principles of Continuous Growth, as well as lead an ROTC program, evening performance and demonstration programs and summer camp for third, fourth and fifth grade students. Furman University students and Traveler's Rest High School students combine with local volunteers and the Monaview family to inspire all Monaview Elementary students to be the best they can be.
